Perfect for students interested in dancing for fun, also a great option for dancers who cannot commit to be at rehearsal weekly.

One dance number will be taught that is optional for performance for the group during the year.

## Israeli Dance Troupe – Performance Group Grades 5th-8th

This group has been performing together for several years. New dancers are welcome, **but all dancers are required to have regular attendance and to commit without fail to the two rehearsals before each performance.**

The students will work on several dance numbers to contemporary Israeli music with performances for parents and opportunities to perform at various venues including the Yom Haatzmaout Festival in May and the annual Lawn Event at the House of Israel.
